

Get your Ham Radio License in Eureka

**Classes in 2024 Starting Thursday
January 11th 5:00 PM to 8 PM**

**North Point Grill Front Room Hwy 93 North
Eureka Montana**

**We will be having classes for 7 weeks at 5:00 PM on
Thursdays with the exam on the last Thursday Feb. 22nd.
You can test for any class of license. Testing is just \$10**

**Ham radio is the best emergency and safety network
available and will be used locally as well as world wide in the
event of any disasters, natural or man made.**

**Study books will be available at the first class.
You will need to register for the class to get a book by calling
[Don Johnson at 406 889 5886](tel:4068895886)**

**The licenses do not require Morse code, and the test is just 35
questions multiple choice. You can get 9 questions wrong and still
pass, and during the study you will be given all the answers up front.
You can also study on line at www.QRZ.com**

**We will have equipment on display and there will be demonstrations of
various equipment. Eureka Repeater Group sponsoring the class has
many local repeaters covering all of Lincoln County and into Flathead
county, and much more.**

**Be prepared to increase your safety by having communications
available in any emergency situation at any time day or night with
these systems.**
